

Rotary District 5220 Short-Term Youth Exchange 2019

We are getting close to the application dead line!

Do you know of a student who would be a good ambassador for Rotary, our District and the USA? Who would be a good candidate for an opportunity of a lifetime by staying with a family in France? Could be daughter, son, neighbor, grandchild, niece, nephew, Interactor, RYLA student, does not need to be related to a Rotarian.

This is truly a wonderful opportunity for all Students aged 15-19yrs old. They will spend three weeks in France with a family and student of the same age and gender. Then they will return to California with the French student and spend an additional three weeks here.

They will make lifelong friendships with a student of the same age and gender but from a different country.
