## ROTARY 2025-2026 SPEECH CONTEST

### Guidelines, Rules and How to Set Up a Speech Contest

1. Speakers must be students in attendance in grades 9 through 12 at a public or private school, or charter school within Rotary District 5220 and within your club boundaries. No student may be a contest in more than one club contest in any year. A student may participate over multiple years, but if they win the district contest that cannot continue to participate.
2. Select the date for your club contest and get it on your official club calendar today! Connect with your Assistant District Governor for your area speech contest. He/She will work with you to set the date, time and location for the area contest.
  - a. Hold the Club Contest: Between January 1 – 31, 2026
  - b. Hold the Area Contest: Between February 1 – 29, 2026
  - c. The District Contest is scheduled for  
Saturday, March 21, 2026, at the Merced Multicultural Art Center,  
645 W. Main Street, Merced. 10:00 AM to 12:00 PM  
More guidance will be provided to each area winner.
3. **September/October call your high school principal to discuss the speech contest and find out who would be your contact to share the information and recruit students.** The target is 3-5 speakers for your club contest. You may need to have a preliminary contest to identify the best participants if you have more than 5 students.
  - a. For assistance with communicating with the school, see document entitled: *Communicating with the School.*
  - b. Send your school contact the following documents to share with students: *Speech Contest Flyer, Speaker Information Agreement Form (be sure to personalize for your club before sharing), Judges Scoring Sheet, Speech Contest Seeding and Prizes Sheet.*
4. **Check in with your high school contact multiple times before the contest date but especially the week before the Contest.** Remember that each speaker must fill out and have their parent and student sign the Speaker Agreement Form, and have the student bring the completed form with them to the contest or the school contact can scan and email it to you.

Collect the sheets prior to the contest so that you can use them to introduce students after the contest!

**5. Several weeks prior to the club contest:**

- a. Identify 3 judges, a scorekeeper (someone to tally the judges scores) and a timekeeper.
- b. Send a copy of the judge's guidelines and score sheet to the judges prior to the contest.
- c. Prepare club level certificates, plaques, trophies, etc. at club discretion. Certificate samples are provided.
- d. Highlight club level contest in the club bulletin and at meetings to encourage high attendance.
- e. Confirm the number of attendees to adjust your meeting arrangements accordingly.

6. Score keeping of the contest at each level must be kept confidential. Any protest relative to the conduct of a speaker or the operation of a contest, at any level of the contest, must be made to the Chair of that contest before the winner is announced. The decision of the chair shall be final.

7. Judges should have a full understanding of the rules, scoring and ranking process. The timekeeper will track penalty points for time to be deducted one time at the end of the contest.

8. *Each speech must be within 4 minutes and 30 seconds or 5 minutes and 30 seconds to avoid a time penalty. A speech under or over the time frame will be assessed a 2-point penalty by each judge.*

9. *Note cards are allowed but will result in a 2-point deduction for delivery if relied on too heavily. Students may have the cards at hand in case of a mental blank out. The speech cannot be read. To maximize a student's chance to score well, the students are advised not to use note cards.*

10. ***Please note prize amounts were increased last year. Each Club and Area is encouraged to follow the designated prize amount. Please see Contest Seeding and Prizes for 2025-2026.***

**11. The Day of the Contest**

- a. Arrange seating for contestants and guests
- b. Have prepared a method of randomly determining order of speakers, e.g. drawing cards or numbered slips from a hat.

12. **After the Club Contest: Provide your Area Contest Chair/Assistant District Governor with the information on your winner as soon as possible.**

## **Speech Contest Personnel Defined**

### **School Designee/Facilitator**

A School designee/facilitator is either a school faculty member or an administrator who is the liaison with the local Rotary Speech Contest Chair. The School Designee/Facilitator takes an active role in recruiting students and preparing them for the contest by reviewing the rules and dates of the contest with the students. If needed, the School Designee/Facilitator would oversee an in-school run-off contest in order to reduce the number of Club speakers to 4-6.

### **Students/Speakers**

Students/Speakers must be in grade 9-12 at a public school, private, charter or parochial school or in the club's geographic area.

### **Judges**

The Judges should possess relevant qualifications that would allow them to assess student speakers. Examples of judges include Rotary members that are also educators, lawyers, members of toastmasters and other professionals or businesspeople who are used to and feel comfortable with public speaking.

### **Timekeeper**

The Timekeeper is typically a club member who feels comfortable operating a stopwatch or uses an stopwatch app on their phone. The Timekeeper will document the time on the Timekeeper's time sheet.

### **Lead Judge/Scorekeeper**

The Lead Judge or Scorekeeper is responsible for collecting the Judge's score sheets along with the Timekeeper record. The Lead Judge/Scorekeeper will then tabulate and calculate the overall scores and determine the finish order of the speakers.

### **Master of Ceremonies of the Contest**

This is a Rotarian who is comfortable facilitating the speech contest. This person will explain the process of the contest for the day (to include, but not limited to how speakers are chosen, the audience must silent their phones and not to applaud until the end) and the next step for the winner of the contest.

### **Speech Contest Chair**

The Rotarian is designated as the individual who will oversee the club speech contest. The District Speech Contest Chair will communicate by email and phone when needed regarding the forms, process and dates with the Club Speech Contest Chair. The Club Speech Contest Chair is responsible for communicating with the school in their area and printing the certificates for the winners.

## **Communicating with the School**

A positive initial contact with either the school principal or designee (guidance counselor, teacher, club sponsor) is critical to the success of the speech contest in the school. You may use the following script, especially if this is the first year of school contact or participation.

### **Some points to consider during the conversation with the school official:**

- Does the school offer a public speaking class?
- Would this contest fit as a special program within the school's gifted program?
- Could participation and winning in this contest be a positive point in a student's resume?
- Does this contest have a place in English, psychology, sociology, drama or speech classes?
- Does the school have clubs like Future Farmers of America (FFA) that include public speaking?

### **Suggested Script for school discussion**

The objective is to schedule time to meet and start building a person-to-person relationship, not explain the entire program on the phone.

“Good morning/afternoon Mr./Mrs. (Principal or Designee), My name is .....and I am a member of the Rotary Club of ..... During the last several years Rotary Clubs in our district have been partnering with many of our schools to offer a program which challenges students to develop their critical thinking skills and ethical decision-making skills.

This program has been well received the students participating and the staff supporting the students.

Is there a good time this week or next that we could meet to find out where this program might best fit in your school? I will have more detailed information with me and will also be able to answer your questions.”

“Can you tell me a little more about it?”

“Absolutely. The program is open to students in grades 9 through 12. Students are challenged to identify activities they have been doing or hope to do in the future that is aligned with our district theme, which is How Does the Magic of Rotary Change the World. Students will seek to persuade listeners about their point of view as it relates to the theme or inform listeners what they have done or intended to do in the future as it relates to the theme. Students will need to research what Rotary does in the world and connect it to their views and/or plans.

Students will deliver a 4 ½ to 5 ½ minute speech and have an opportunity to win cash prizes at various levels of the competition.

Is there a convenient time that we could meet to see where this might best fit in your school?”

**Suggested responses to possible objections:**

**“The class curriculums have already been finalized.”**

I understand and that is why some school initially offer this program to students as a completely voluntary opportunity outside of the regular school day. The school’s involvement can be limited to helping us get the word out with some flyers.

**“I am not sure where this would fit in our school. I will have to get back to you.”**

Sure. If I may – could give you some examples of how other schools use this program. We are finding that schools that already offer public speaking courses or competitions are the biggest supporters of our program and use it to reach and additional target audience among their students. Some examples of this are resume building and college exploration, theater and acting, and as part of psychology, sociology and English classes to nurture communication and presentation skills.

## **Speech Contest Master of Ceremony Sample Club Contest Agenda**

### **Master of Ceremonies Basic information and expectations**

1. Once students have arrived, have them draw a number from a hat/box to determine speaking order. Use Form 9 to record who is participating and in what order.
2. The Master of Ceremonies of the contest should introduce the contest to the club by stating the speech contest theme and briefly listing the rules. Explain the speakers will be introduced by NUMBER ONLY, with no mention of names or school affiliation until after all speakers have given their speeches. Also explain that there is to be no applause between speakers so that judges are not influenced by the audience and that there will be silence between speakers to allow the judges an opportunity to rate the speakers. The judges will not be identified prior to the contest.
3. Introduce the first speaker as "Speaker Number One," etc.
4. After the speaker is done and there has been enough time for the judges and timekeeper to document their results the next speaker is called forward.
5. Have the audience applause for all the speakers at the conclusion of the speeches only. Invite each speaker up by number and have them give their name, grade, school, extra-curricular activities, plan for the future and anything else you want them to include.
6. Once the Teller has completed the calculations and determined the winner, make the announcement, hand out the certificates, cash prizes and take pictures.
7. Be sure to thank the judges, teller, timekeeper, master of ceremonies and anyone else responsible for the contest. Thank the teachers/administrative staff if present.

6. We will not introduce the students at this time and will not use their names.
7. We have drawn for speaker order. I will call up Speaker 1 and after they complete their speech they will take their seat. Please hold your applause until the end of all the speeches. I will then give the judges a minute or so to finalize their scores. [The facilitator can share Rotary facts instead of silence if they would like]. Then I will call up Speaker 2 and so on.

Announcements

Rotarians worldwide are celebrating an incredible milestone—**120 years of Rotary International.** On **February 23, 1905**, in a small Chicago law office, **Paul Harris** and three friends planted the seeds of what would become one of the world's greatest humanitarian organizations.

From that first meeting, Rotary has expanded across the globe to 46,000 Clubs, bringing together world and community leaders, problem-solvers, and community builders under one shared mission of **Service Above Self.**

For **120 years**, Rotarians have dared to **imagine world peace, created hope** to eliminate polio, and shown the **magic of the seven areas of service.**

**Rotarians share their expertise, time, and money, to support local and international humanitarian projects to address some of the world's most pressing challenges.** As we continue our work we carry forward our legacy with **pride.**

Because when we **stand together as Rotarians with our community partners**, there is **nothing we can imagine that we cannot achieve.**
